**"Blessed Hope,
The Book of Revelation"**

412 Youth Group

We volunteered at White Cross on November 11th.

Please join me in praying for our brothers and sisters in Cameroon where the medical supplies from White Cross are being sent!

Thank you to everyone that helped!

"I packed a Shoebox"

Twelve shoeboxes were dropped off at GracePoint Church, where they will be packed and shipped to Denver. From there they will go to countries all over the world.

They are given out to children by pastors or missionaries. The children are also encouraged to learn Bible verses to earn a New Testament in their own language, in the hope they will share the Good News with their family.

Thanks to all who contributed.
